SUPPLEMENTARY INFORMATION: CPSC seeks to renew the following currently approved collection of information:

Title: Procedures for the Export of Noncomplying Products

OMB Number: 3041-0003

Type of Review: Renewal of collection

Frequency of Response: On occasion

Affected Public: Exporters of products that do not comply with Commission requirements

Estimated Number of Respondents: 5 exporters will file approximately 9 notifications

Estimated Time per Response: 1 hour per notification

Total Estimated Annual Burden: 45 hours (5 exporters x 9 notifications x 1 hour).

General Description of Collection: The Commission has procedures that exporters must follow to notify the Commission of the exporter's intent to export products that are banned or fail to comply with an applicable CPSC safety standard, regulation, or statute. Respondents must comply with the requirements in 16 CFR part 1019 and file a statement with the Commission in accordance with these requirements.

B. Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- Whether the collection of information described above is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility;
- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and

- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Alberta E. Mills,

Acting Secretary, Consumer Product Safety Commission.
